Filing for a place on the ballot begins January 17, 2024 and ends at 5:00 p.m. February 16, 2024. Each application must be carefully reviewed to determine whether it complies with the Election Code requirements as to content; so, please file your application as soon as practicable to allow sufficient time for this review.

Please make special note of the next two paragraphs of information.

Title 15 of the Texas Election Code pertains to campaign contributions and expenditures. Financial reports (forms included as referenced above) must be completed by the candidate's campaign treasurer (but signed only by the candidate) and filed in my office. **I cannot over emphasize the importance of adhering to the financial reporting procedures. Campaign reports are considered open records and will be viewed as such by reporters and opponents alike. State law now requires finance report must be post to the City's website.** Should you

have any questions regarding the reporting procedures, contributions, or expenditures, please call the Texas Ethics Commission, Disclosure Filings Division at (512) 463-5800 for assistance or go online to www.ethics.state.tx.us. The duties of the City Secretary are limited to accepting and filing the various applications, affidavits, and statements, and noting the date and time of filing thereon.

The Texas Election Law requires certain disclosures and notices on political advertising. Please review the political advertising guide and the City's current sign ordinance (both of which are also referenced above). There is no permit required for political signs; however, they do not belong on utility poles, attached to trees or between the sidewalk and the curb (street right-of-way). We ask your discretion in the placing of such signs.

Interest in your municipal government is appreciated and I trust that this will be a positive and exciting experience for you and your supporters.
