

## **An Invitation from the Hedwig Village Parks and Beautification Committee:**

We would like to invite you to join our committee to make our City a more beautiful to live. We also need **action** volunteers willing to possibly adopt a planting area or areas to keep attractive for everyone to enjoy, or while out walking pick up debris on the sidewalk areas, or create attractive entrances to your subdivision to name just a few ideas.

The committee consists of Hedwig Village residents who meet on the first Tuesday of every month at 9:00 a.m. at City Hall to discuss, and possibly decide which, ideas to implement to make our City more attractive, livable, and pedestrian- friendly. We recently had trees planted, other trees pruned, and had sod laid on Gaylord Drive.

We encourage you to participate in our meetings and be a part of the planning stage. If you are interested in getting more information, please call Angie Ventura, Hedwig Village Permit Clerk, at 713-465-6009. Please give your contact information and a Committee member will get back with you.

Thank you,

The Hedwig Village Parks and Beautification Committee
