NOTE: All sub-contractors (electrical, mechanical/HVAC, plumbing, low voltage, sign etc.) are required to pull separate permits. All permits become null and void if work or construction authorized is not commenced within six months, or if construction or work is suspended or abandoned for a period of six months at any time after work is started.

I hereby certify that I have read and examined this application and know the same to be true and correct. I understand that all provisions of state laws and city ordinances governing this type of work will be complied with whether specified herein or not. I further understand that the issuance of a permit does not grant the authority to violate or cancel the provisions of any state or local laws regulating construction or the performance of construction.
