

Dear Residents,

Please join us for an **open house** at City Hall on October 10, 2017 between 5:00 and 7:30 pm to learn about the City's contemplated:

Paving & Drainage Capital Improvement Plan

This is a "*come and go*" format. At the event, you can:

- view exhibits describing the proposed work, and, see output from our Citywide Drainage Analysis, including updated information from Hurricane Harvey;
- understand the positive impact these improvements will have on stormwater drainage on a street-by-street basis; and,
- interact one-on-one with our engineers and elected officials to answer any questions you may have.

Please join us as you are available. We look forward to seeing you there!

OPEN HOUSE

Tuesday, October 10, 2017

5:00 to 7:30 p.m.

Hedwig Village City Hall

955 Piney Point Road
